

Atriarch 3HP

Pond Fountain

Scott Aerator is excited to offer our Atriarch fountain with a more powerful 3 HP motor, providing a 20 feet taller spray pattern than the 1.5HP Atriarch.

The Atriarch's dramatic dual level display features a towering center spire surrounded by a gentle cascading outer array. They combine to create an elegant look accompanied by tranquil sounds of cascading water that will add a beautiful focal point to any pond or lake.

The Scott Aerator Awesome Warranty

All standard Scott Aerator products are unconditionally warranted for five years against motor defects in materials or workmanship, under normal operating conditions. All other product components are warranted for one year from date of purchase. Scott Aerator will repair or replace failed parts under warranty when the defective unit is returned to the factory, shipping prepaid, and factory inspection establishes that the part was defective. The unit must be returned to the factory prior to shipment of replacement parts. All parts replaced under this warranty will be returned with shipping prepaid. Scott Aerator will not be liable for consequential damage nor for any costs associated with removal or attempts to repair components in the field.
